

入梅

父の日

This is the road I have passed one day.
 Ah that's right.
 Acacia flowers are in bloom.
 That is the hill I have seen one day.
 Ah that's right.
 Look, there is a white clock tower.

この道

北原白秋／山田耕筰

The spring rain is falling but not visible.
 If there is no waves that circle the water.
 And it makes you think it was smoke.
 The summer rain is passing suddenly.
 And it leaves a dew on the clothesline.
